Community Spotlight

Ben Crump

We were honored to witness the support surrounding renowned civil rights attorney Ben Crump during his visit to Hawai'i for a book signing event at the University of Hawai'i. Events like this continue to inspire awareness, education, and community engagement across our islands.

Moments of Service & Pride

Following the Kona Storm, our Worthy Matron had the opportunity to attend a Navy reenlistment ceremony aboard the historic USS Missouri.

What a beautiful day!!!!

It was a powerful moment of resilience and dedication, highlighted by capturing a memorable photo alongside her Sailors—reflecting continued service, leadership, and commitment even during challenging times.
